

Saw EXPO 2021 is postponed

Joint decision by business, industry and Messe Düsseldorf

Saw EXPO 2021 will not take place in Friedrichshafen from 8 to 11 June 2021 as planned. Messe Düsseldorf has already taken this event- and sector-specific decision together with its partners from business and industry in order to anticipate imponderables on the exhibitor and visitor side. We look at each event individually and take into account not only the incidence of infection, the travel situation and the legal situation, but also the specific requirements of the respective trade fairs and their sectors. The other events planned by Messe Düsseldorf are not affected by this.

Exhibitors and visitors can use our online platform at www.sawexpo.de and www.sawexpo.eu to keep up to date with the latest news from the industry as well as trends and new products at Saw EXPO. As soon as a new trade fair date is available, it will be published here.
